

## The Registrars Ramble

Winners of Recognised Open Championships Trials up to the end of 2015. There have been 280 Championships won by 37 workers. 7 of these from Interstate. 132 different dogs have been in the winners circle, only 8 of them have been pure Kelpies.

Plus a special mention of the 1988 Bicentennial Trial which was open to all workers to nominate one dog of their choice. Eric Atherton won with Elfinvale Gemma. As this was not an Open Championship trial with a final it was not included in these records
